## Education

---

**The Theatre School at DePaul University**, Chicago, IL

Bachelor of Fine Arts, **Costume Design and Technology**; anticipated in 2022

- Costume coursework including pattern making, mockup and finished piece construction, fitting and alterations, dyeing, distressing
- Additional theatre and art coursework including stage makeup, wig work, costume crafts, lighting design, and set building/painting
- Dean's List, 2018-19 and 2021-2022
- Mentor to incoming students, 2019-2020 school year

## Work Experience

---

**Independent Costume Maker, Self Employed**, Chicago, IL (April 2020-Present)

- Designed unique characters and adapted preexisting designs to costume-suited formats for clients
- Learned and practiced crafting techniques including foam sculpting, applique, working with faux fur, and pattern drafting based on clients' measurements
- Learned and practiced product photography for portfolio
- Calculated accurate price quotes for interested parties

**Costume Shop Assistant, The Theatre School at DePaul University, Chicago, IL**  
(February 2019-January 2020)

- Measured, labeled, and reorganized pieces in costume storage
- Cleaned the costume shop and organized materials in inventory
- Catalogued new costume pieces for upcoming and ongoing shows
- Properly washed and cleaned costume pieces, including more unconventional ones

**Online Collection Curator, Theatre House Costume Supplier, Covington, KY (June-August 2019)**

- Researched popular middle and high school plays and determined most-produced shows
- Searched through current inventory to curate collections of useful costumes, wigs, accessories, and makeup for each show
- Created organized and aesthetically-pleasing collection web pages that were easy to navigate
- Assisted customers face-to-face, advising fabric choices based on the goals of their costume designs
- Searched for product gaps in popular collections and researched different wholesalers to find the best fit for each

## Skills

---

- Adaptability
- Conflict mediation
- Attention to detail
- Collaboration
- Spreadsheet proficiency
- Proficiency with Photoshop and other image editing/art programs
- Experience with a wide range of sewing and crafting techniques including:
  - Embroidery
  - Resin casting
  - Dyeing
  - Distressing
  - Foam and clay sculpting
  - Dry brushing
  - Millinery
